Subject: Concurrence with Release of Reclamation Surety, KSC Rocks, Gales Gold and Pumice, S/027/0067, Millard County, Utah

Dear Mr. Sorenson:

The Utah Division of Oil, Gas and Mining concurs with the findings of the Bureau of Land Management that the reclamation surety for the referenced mine site can be fully released. The Division inspected the site on May 26, 2009, and found that reclamation is complete.

The Notice of Intention to Commence Small Mining Operations, S/027/0067, will now be closed and the file retired. You are hereby released by the Division from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit new notices to the Division and other appropriate agency(ies), and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact Paul Baker at (801) 538-5261 or Tom Munson at (801) 538-5321. Thank you for your cooperation in completing the reclamation work.

Sincerely,

Dana Dean, P. E.  
Associate Director of Mining
